Sunshine Global Hospital

Title Group COO

 **Location** India

Biography

Dr. Biren Chauhan is a seasoned healthcare leader and the Group Chief Operating Officer (COO) of Sunshine Global Hospitals, a private equity backed multi specialty hospital group in Gujarat, India. A qualified medical doctor with over 10 years of leadership experience in hospital operations, performance turnaround, and strategic healthcare growth, he has successfully led large NABH accredited hospital networks with strong focus on quality, patient experience, and financial sustainability.

Dr. Chauhan holds an MBBS from B.J. Medical College, Ahmedabad, and a Master of Hospital Administration (MHA) from Tata Institute of Social Sciences (TISS), Mumbai. He has also gained international exposure through academic postings at Weill Cornell Medical College and Albany Medical College (USA).

A frequent speaker at healthcare forums, he also serves as Guest Faculty at the National Academy of Indian Railways, training senior officers managing railway hospitals across India. Dr. Chauhan brings a global, systems driven perspective to healthcare leadership and innovation.

About the Organization

Sunshine Global Hospital is a leading multi-specialty private hospital in South Gujarat, with a prominent branch in Surat. Operated by Baroda Medicare Pvt. Ltd., it is NABH-accredited, ensuring high standards of healthcare quality and patient safety. The hospital offers 24 × 7 emergency services, advanced operation theatres, intensive care units, and modern diagnostic facilities. It provides a wide range of medical services, including cardiology, orthopedics, oncology, general medicine, gynecology, and gastroenterology. The hospital is equipped with advanced technologies such as a cath lab for cardiac procedures and comprehensive critical care support. Located on Dumas–Piplod Road in Surat, it is easily accessible and offers ambulance services round the clock. Sunshine Global Hospital also supports cashless treatment through insurance and government schemes like Ayushman Bharat. With extensive experience and modern infrastructure, it is recognized for delivering reliable and patient-focused healthcare services in the region.
