RUPHA

RURAL & URBAN PRIVATE HOSPITALS
ASSOCIATION OF KENYA

The Rural & Urban Private Hospitals Association of Kenya (RUPHA) is the national umbrella association representing private hospitals, medical centres, outpatient centres, diagnostic centres, rehabilitation centres and nursing homes serving rural and medically underserved communities across Kenya.

RUPHA has grown into one of Kenya's largest healthcare provider networks, bringing together over **780** private healthcare facilities across the country.

• OUR FLAGSHIP PROJECTS •

RUPHA DRUG AGENCY (RDA)

Leveraging collective purchasing power and reduce procurement costs for members.

RUPHAsoft HMIS

Modern hospital management information system supporting healthcare digitization and compliance with Kenya's digital health agenda.

RUPHA360

Integrated healthcare financing platform providing insurance and financial solutions for healthcare facilities.

RUPHA SOLAR

The programme provides affordable financing through lease-to-own and Power Purchase Agreement (PPA) models, enabling hospitals to adopt clean energy without significant upfront investment.

STRATEGIC PARTNERSHIPS

VISION SCREENING THROUGH HOSPITAL CHANNELS

Implemented in partnership with the OneSight EssilorLuxottica Foundation, this programme integrates comprehensive eye care into primary healthcare facilities.

POINT-OF-CARE DIAGNOSTICS & CLINICAL SKILLS DEVELOPMENT

RUPHA is expanding access to innovative Point-of-Care (POC) diagnostic technologies while building the clinical capacity of healthcare professionals.

OUR VISION FOR THE FUTURE

RUPHA envisions a resilient, innovative and sustainable private healthcare sector that complements Kenya's Universal Health Coverage agenda.

A photograph showing two hands, one from a person wearing a beige ribbed sweater and the other from a person wearing a white shirt, gently cupping a small, round, green object. The object has a textured, felt-like appearance with varying shades of green, resembling a stylized Earth or a ball of moss. The background is a soft-focus green, suggesting foliage.

Building a healthier future

At WHX in Johannesburg, sustainability runs through every part of the event. We work to reduce waste, use resources responsibly, and make sustainable participation easier for exhibitors and visitors alike. Through an accessible event experience, year-round thought leadership via WHX Insights, and partnerships that deliver measurable impact, we bring the industry together to advance practices that benefit both people and the planet.

WHX is where the world of healthcare meets

World Health Expo (WHX) unites our community of healthcare exhibitions across the globe. We are the world's largest network of healthcare events, where the brightest minds come together to shape healthcare globally. With 14 international events, WHX connects people, governments, businesses, and ideas on a global scale, making it the platform for discovery, transformation and opportunity.
